Your child's school has been identified as a school in need of improvement. You therefore have the right to request that your child be transferred to a school which has not been identified as a school in need of improvement. During the 2008-2009 school year there were approximately 572 students enrolled at Fowler Elementary and 13 students participated in the Public School Choice option.

District school that has not been identified as school in need of improvement and is available to receive transfers:
