10. Art from Romania

1. Cool Color Landscape (March 30-April 3)

Create a picture with Land, Mountains, and water. Use only Cool Colors (Blue, Green, Purple (Violet), Blue-Violet).

2. Solar System (April 6-10)

Create a mixed media solar system color or paint one paper with blue and white lines. Second paper create the planets. Cut and glue planets and place them onto your solar system.

3. Pointillism Sea Life creation (April 13-17)

Use the knowledge you learned from doing the Valentines marker dot drawing and apply that with using paint or whatever materials you have to complete your Sea creation.

4. Peacock Creation (April 20-24)

Create a Peacock either draw or use construction paper to create your Peacock.

5. Flowers for Mother's Day (April 27-May 1)
Create Flowers with water colors. Use construction papers and cut small squares to glue and place as a vase for your flowers.
